

COMMUNICATION (BA)

Recommended Courses for Students Planning to Transfer to VWU
Students planning to transfer from Tidewater Community College to Virginia Wesleyan University should complete courses that will satisfy VWU's major requirements and facilitate degree completion. Courses in black are strongly recommended. Students who do not complete these courses may require an additional year due to course sequencing issues. Courses in blue are encouraged. They should put students ahead by having additional courses completed toward the major.

Students who complete the Associate of Art or Associate of Science degree will receive an exemption from the general education requirements for the first two years of the bachelor's program.
