

## MATHEMATICS (BA + BS)

### Recommended Courses for Majors Planning to Transfer to VWU

Students planning to transfer to Virginia Wesleyan University from anywhere within the Virginia Community College System (VCCS) should complete the following courses at their VCCS institution:

Courses in red are strongly recommended—students who do not complete these courses may require an additional year due to course sequencing issues. Courses in blue are encouraged—there are no substitutions allowed. A head-to-head or additional course can substitute in one or two courses.

*Students who complete an Associate of Arts or Associate of Science degree with satisfactory or better at a VCCS general education program except for the junior/senior seminar (WES 300).*

## MATHEMATICS (BA + BS)

VWU COURSE	VCCS EQUIVALENT
	Calculus I
MATH 172: Calculus II	Calculus II
MATH 173: Multivariable Calculus	Calculus III
MATH 217: Linear Algebra	Linear Algebra
MATH 218: Differential Equations	Differential Equations
MATH 230: Introductory Statistics	

*Students who complete an Associate of Arts or Associate of Science degree with satisfactory or better at a VCCS general education program except for the junior/senior seminar (WES 300).*

*major requirements include prerequisites for which a grade of "C" or better must be earned.*
